### **Shipping Firearms For Service**

Kahr Pistols returned to the factory for service or repair should be sent to:

K.A.I.

130 Goddard Memorial Drive, Worcester, MA 01603

Attn: Service Dept.

Contact Kahr Arms Technical Support Department to receive a "Return Authorization" number before shipping a firearm to the factory. You can do this by online (<http://www.kahr.com/rma.html>) or by calling 508-795-3919.

PISTOLS SHIPPED TO THE FACTORY MUST BE SENT PREPAID. THE KAHR SERVICE DEPARTMENT CAN NOT ACCEPT COLLECT SHIPMENTS.

The Federal Gun Control Act does not prohibit an individual from shipping a firearm directly to the manufacturer for service or repair.

However, some states or localities prohibit this. If you live in such a location, please have a Federally Licensed Firearms dealer ship the gun. It will be returned to the dealer after being serviced.

HANDGUNS MUST BE SHIPPED PREPAID VIA UPS AIR OR FEDEX OVERNIGHT.  
HANDGUNS SHIPPED GROUND SERVICE MAY BE ASSESSED AN  
ADDITIONAL CHARGE OF \$40.00 AND REPAIR WORK WILL BE DELAYED.

Persons who do not hold a Federal Firearms License are prohibited by federal law from shipping a handgun by mail. Handguns mailed in violation of the law are impounded by the Post Office.

Enclose a letter that includes reference to the factory "Return Authorization" Number, your name, address, telephone number, and serial number and model of the firearm. Describe in detail the trouble you have experienced with your firearm, or the work you wish to have done. Stating only that the firearm "needs repair" is inadequate information. Please enclose copies of any previous correspondence.

Please do not include holsters, custom grips, or accessories with any firearm being shipped to the factory for service.

Service work performed, other than approved Warranty repairs, will carry a minimum charge of \$60.00 plus a \$25.00 return shipping and handling charge.

## Parts Information

Because it is a serial numbered component, the pistol frame is defined as a "firearm" by federal law and is not sold as a separate part.
