

Office of the County Clerk

MONROE COUNTY, NEW YORK

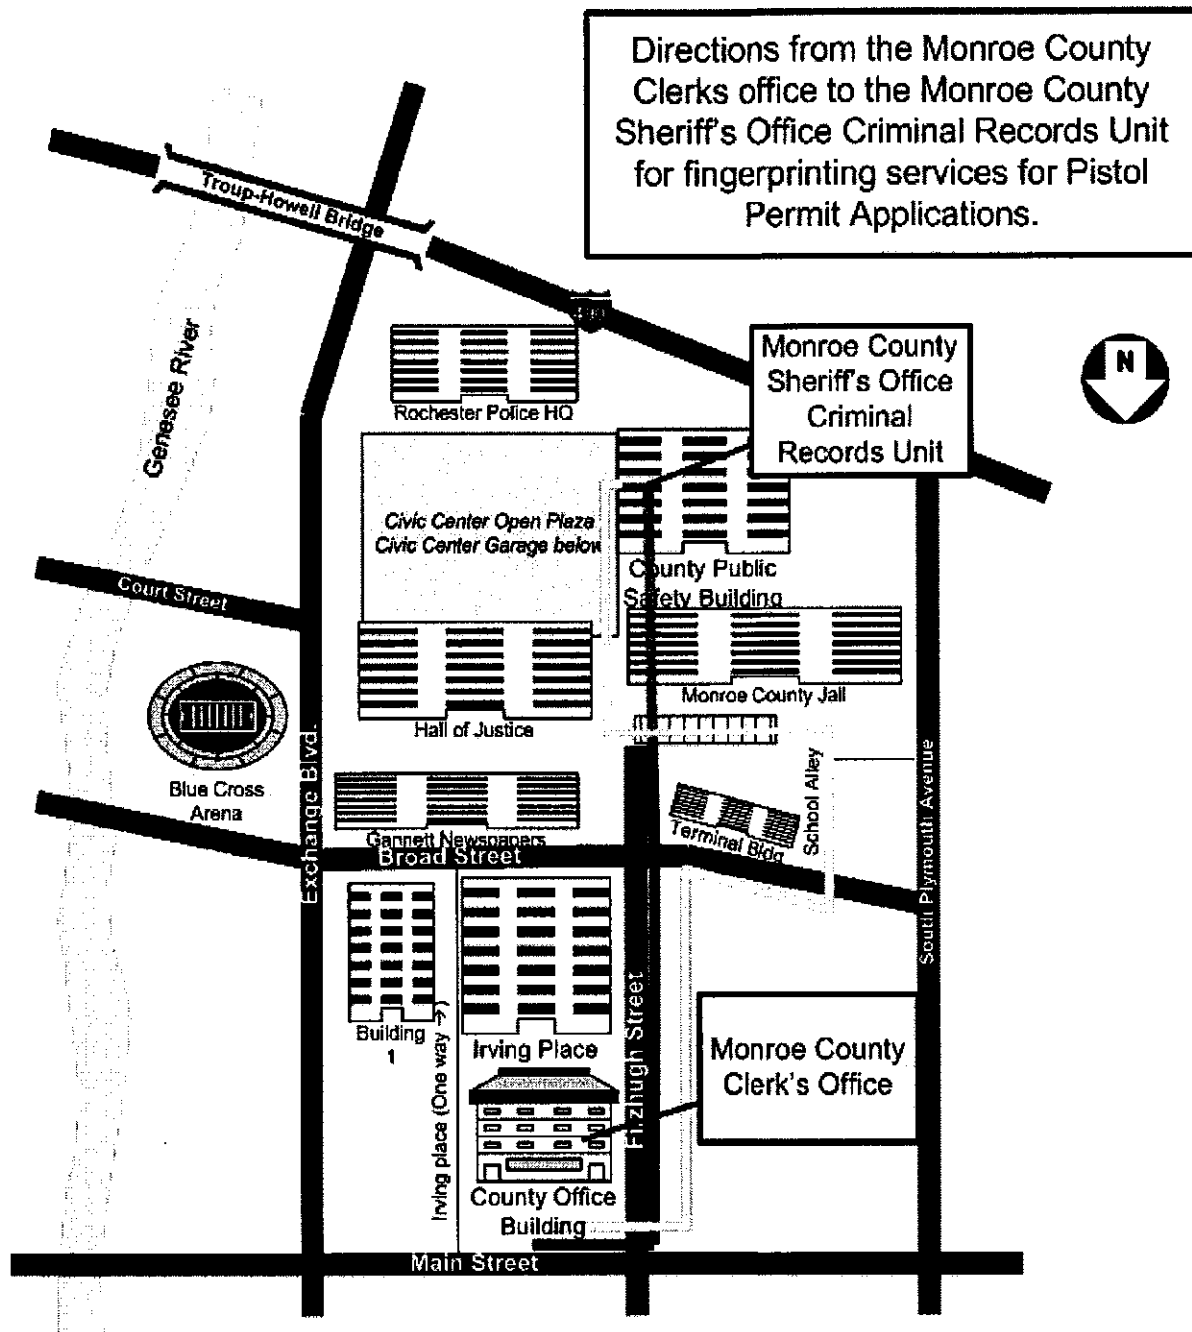

Dear Pistol Permit Applicant:

The Monroe County Clerk's Office is an administrative agency, providing a "pass through" for pistol permit applications as they make their way through the authorization process. Due to the number of agencies involved, two of which are located in Albany, **the processing of a pistol permit application can take approximately 6 to 9 months.** Applications may take longer than 9 months to be processed.

The Clerk's Office facilitates the transfer of the pistol permit file to the Monroe County Sheriff's Office for suburban residents and the Rochester Police Department for city residents. Law enforcement will conduct a thorough investigation and will also receive comment from the State Department of Mental Hygiene and the State Department of Criminal Justice Services, both of which are located in Albany. Thereafter, a recommendation is made to the Court for approval or denial. Once the Clerk's Office receives the pistol permit file from the law enforcement agency, we forward it to a Monroe County Court Judge who will then make a final decision on the application. Applicants may receive notice of approval or disapproval from a Judge by mail. It is possible that you will not receive any contact during the application process until you receive your approval/denial letter. In addition, if you have moved during the application process, please visit our office in person to update your new address.

Since the majority of the application process takes place outside our office and due to the large volume of applications received, we ask that you wait until 9 months from the application date to contact our Pistol Permit Division at 753-1642 regarding the status of your application.

I hope you find this letter helpful. Thank you, in advance, for your patience.

From the County Office Building, go south on Fitzhugh Street across Broad Street and enter the Civic Center garage. Follow the west wall $\frac{3}{4}$ of the way into the garage and enter the County Public Safety Building through the grey doors on the west wall of the garage. Take the elevator to the Plaza level. The Monroe County Criminal Records Unit lobby is directly off the elevators.

From the County Office Building, go south on Fitzhugh Street. Turn right (west) on Broad Street. Just past the Terminal Building, turn left (south) onto School Alley. Turn left (east) at the stairs and go up the stairs to the Civic Center Plaza. Turn right (south) on the Civic Center Plaza, and follow the County Office Building past City Court 1 & 5 to the south end of the building. Enter the glass doors on the right into the Monroe County Criminal Records Unit lobby.

ADDITIONAL INFORMATION

Application fees are not refundable.

If you buy or own a gun, be sure to include the make, caliber, serial number and model of each weapon in the space provided on the back of the application. If you elect to list a gun on your permit application, a bill of sale must accompany the application. Private bills of sale from individuals must be notarized and accompanied with a photocopy of both sides of the seller's permit.

Unregistered pistols in your possession or out-of-state pistols must be turned in to law enforcement officials until your permit is issued. If you have an unregistered pistol, please call 911 and request to meet with an officer to surrender the pistol into their custody. You will be given a receipt for the pistol(s), which must be included with your application. You will also need to include a notarized letter explaining how the pistol was obtained and whether it was legally registered elsewhere.

It is not required that you acquire a gun before you apply for a pistol permit.

WHAT DOES ARREST MEAN?

Your pistol permit application specifically states: "Have you ever been arrested, summoned, charged or indicted anywhere for any offense, including DWI (except traffic infractions)?"

You must state all arrests regardless of whether or not you were convicted. Sealed charges must also be listed.

What does arrest mean?

- You were given an appearance ticket by a police officer to appear before a judge for anything from a town/village ordinance on up to a felony.
- You were handcuffed and taken to jail.
- You were fingerprinted and photographed for a criminal matter of DWI by the police.
- A warrant for an arrest was issued for you and you either were directed to turn yourself into a police department or appear before a judge.
- You were directed by a police officer to appear before a judge.

Any omission of fact or any false statement will be sufficient cause to **deny this application** and constitutes a crime punishable by fine, imprisonment or both.

If you appeared in Court, you must provide an official disposition from the Court(s) with your application. We need to know the final outcome of your case(s).

Even if the Court no longer has record of the outcome of your case(s) because it is a very old case(s) or they have destroyed the record or your case(s) were sealed; you still have a criminal record and all New York State Police Departments have full access to this information, even if it was an out-of-state arrest.

The term "sealed record" means that at the time of your last court appearance it was the Judge's decision to seal the case so only authorized persons can view the outcome. Most courts and police departments will not give you this information. It will appear as "no record" when you request a criminal record check at a police department or request dispositions from the courts. This does not mean that you were not arrested or that you don't have a criminal record.

You must state all arrests even if you do not remember the dates or dispositions, even if you have had multiple arrests over several years. If you appeared before the Judge, you must state it.

REMEMBER: IF YOU DO NOT STATE ALL ARRESTS ON YOUR APPLICATION, YOUR APPLICATION MAY BE TERMINATED FROM FURTHER PROCESSING.

APPLICATION FAQ'S

The application asks for a NYSID and License Number. What is that?

The application instructions direct you to fill out the application starting with your last name. The NYSID, License Number and Date of Issue are all for our office use only.

The application asks for arrest information. Where do I get this information?

Contact the police agency where the incident occurred (ie. NYS Police, Sheriff's Department, Police Department, etc).

The application asks me to check a box for a certain type of license. What should I choose?

Carry Concealed. Under that box, you must also describe your reasoning for applying for a pistol permit license.

Do you take photos in the office?

Photos must be taken by our office in order to be used on your pistol permit.

Does the form need to be notarized before I come in?

Please wait until you are in front of a Clerk to sign your application. Notaries are available in our office.

I do not have any medical issues (anxiety, depression, bi-polar disorder, etc.) Do I need to fill out the Release of Medical Information Form?

If Form 3 or 4 does not apply to you, you can leave it blank.

Who can serve as a character reference for my application?

You can use any reference who has known you for at least 3 years. They cannot be your relative (spouse, uncle, brother-in-law, etc.) and cannot be any member of active or retired law enforcement.

Can I have my fingerprints done somewhere else or at a police sub-station?

Your fingerprints MUST be done at the location instructed in your application packet. You cannot go to another police station or sub-station for fingerprints. Likewise, if you have already been fingerprinted for a job or any another reason, you still must be fingerprinted again for your pistol permit.

I've moved and I've already turned in my application. Do I need to notify you?

Yes. Once you move you need to notify our office. This can only be done by visiting our office in person.

Do I need to take a firearms safety course in order to apply?

Monroe County does not require you to take a firearms safety course as a requirement for application.

How does the pistol permit process work?

The Clerk's Office facilitates the transfer of the permit file to the Monroe County Sheriff's Office for suburban residents and the Rochester Police Department for city residents. Law enforcement will conduct a thorough investigation on the applicant and will also receive comment from the State Department of Mental Hygiene and the State Department of Criminal Justice Services, both of which are located in Albany. The Captain assigned to the process will make a **recommendation** to the Court for approval or denial. Just because your references were called or the police agency says that your investigation is complete, does NOT mean that your permit is ready.

Once the police agency has completed their investigation and turned your application to the Clerk's Office, we forward it on to a Monroe County Court Judge who will then make a final decision on the application. **Applicants may receive notice of approval or disapproval from a Judge by mail.** It is possible that you will not receive any contact during the application process until you receive your approval/denial letter.

NYSAFE ACT & the Opt-Out Privacy Form

Per the NYS Police Website, the **NYSAFE Act** protects the privacy of pistol license holders by permitting them to notify their County Clerk that they do not wish for their information to be released publicly. The Superintendent of the NYS Police has created a form to allow you to 'opt-out' so that your pistol permit records are exempt from Freedom of Information Requests (FOIL).

The form is attached for you to complete **if you so choose**. You can turn this form in with your application or you can drop it off or mail it to our office at 39 West Main Street, Room 101, Rochester, NY 14614 at any time during the application process. Once you have submitted this form, you do NOT need to re-new this request.

Because you are an applicant and have not yet received your Firearms License Number (Carry number) or your date of issue, you can leave that portion blank when you turn in your opt-out form.

Questions Continued

Q. I am moving out of state. Will I still be able to keep my NY State pistol permit?

A. In general, once a resident has moved out to another state, his/her pistol permit is void.

Q. Is a pistol permit issued by a licensing officer in an upstate county valid in New York City?

A. No. A pistol permit issued by an upstate county is valid in any county in New York State except New York City.

Q. What section of the Penal Law authorizes the placing of restrictions on pistol permits by the issuing authority?

A. The Penal Law does not specifically authorize the placing of restrictions on pistol permits. However, court decisions have consistently supported the ability of licensing officials to impose these restrictions. Such an imposition is an administrative function of the licensing officer.

Q. I heard that if I put down "self defense or personal protection" on my permit application it will be denied? This is false. Do not be "creative" with the reasons you require a handgun. Be direct and to the point.

Q. My permit has restrictions on it. What can I do?

A. Send a well-written correspondence to the issuing judge detailing your reasons for requesting the lifting of restrictions. Note: This does not guarantee that the judge will lift the restrictions.

Q. How long does it take to get a pistol permit in Monroe County?

A. Generally, the population in a county has a direct affect on the speed in which the permit application and investigation are completed. Monroe County has a large population thus, more applications.

FIREARMS SAFETY

FIREARMS SAFETY STARTS WITH YOU!

DO YOU HAVE FIREARMS IN YOUR HOUSE?
ARE THEY STORED PROPERLY?
DOES YOUR FAMILY KNOW HOW TO HANDLE THEM SAFELY?

BASIC GUN SAFETY RULES

ANYONE TOUCHING A FIREARM SHOULD KNOW:

1. Treat every firearm as if it were loaded.
2. Never allow the muzzle to point at anything you are not willing to see destroyed.
3. Be sure of your target and know what lies behind it.
4. Keep your finger off the trigger until your sights are aligned on target.
5. Be sure your guns are never accessible to unauthorized or untrained individuals.

SUPPLEMENTAL SAFETY RULES

Alcohol & gunpowder don't mix -- Don't shoot or handle firearms after drinking or using psycho-active drugs.

Get training before shooting. The Monroe County Sheriff Office offers a Home Firearms Safety Course.

Learn & follow range rules for the location where you're shooting.

Wear hearing protection and safety glasses.

KEY GUIDELINES FOR SAFE STORAGE INCLUDE:

Unloaded firearms should be stored in a locked cabinet, safe, gun vault or storage case. Be sure to place a locked storage case in a location inaccessible to children.

Unloaded firearms can also be secured with a gun locking device that renders the firearm inoperable. A gun lock should be used as an additional safety precaution and not as a substitute for lock storage. If firearms are disassembled, parts should be securely stored in separate locations.

Rules continued

Store ammunition in a locked location separate from firearms.

Always re-check firearms carefully and completely to confirm that they are "still" unloaded when you remove them from storage.

SAFETY AND STORAGE DEVICES:

If you decide to keep a firearm in your home you must consider the issue of how to store the firearm in a safe and secure manner.

There are a variety of safety and storage devices currently available. Some devices are locking mechanisms designed to keep the firearm from being loaded or fired, but don't prevent the firearm from being handled or stolen. There are also locking storage containers that hold the firearm out of sight. For maximum safety you should use both a firearm safety device and a locking storage container to store your unloaded firearm.

REMEMBER:

Safety and storage devices are only as secure as the precautions you take to protect the key or combination to the lock.

Frequently Asked Questions

- Q. What happens to lawfully possessed firearm belonging to a licensee who has died?
- A. The person designated as the executor or administrator of the deceased's estate may lawfully possess the firearms in question for a period of up to 15 days for the sole purpose of lawfully disposing of the firearms. If this cannot be accomplished within the 15 day time frame, the weapons must be surrendered to a law enforcement agency.
- Q. Are antique handguns subject to the same laws as those applied to modern handguns?
- A. The Penal Law definition of antique firearm is generally applied to muzzle loading black powder firearms, but also applies to pistols or revolvers "that use fixed cartridges which are no longer available in the ordinary channels of commercial trade". Muzzle loading pistols or revolvers do not have to be registered on a pistol permit if the owner never intends to fire them.
- A. If they are possessed in a loaded condition or are simply possessed simultaneously with the components necessary to make them fire, they must first be registered on a valid pistol permit.
- Q. When can a licensing officer revoke a pistol permit?
- A. The New York State Penal Law provides a number of instances which mandate the automatic revocation of a pistol permit, such as conviction for a felony-level crime or a serious offense. The law also provides for the cancellation of a license at any time by a judge or justice of a court of record who decides that a licensee is no longer fit to possess firearms.
- Q. Can a licensee who owns two homes in separate counties obtain pistol permits in both counties?
- A. No. An application for a pistol permit can only be made in the county in which the applicant primarily resides.
