

## Traditional Kodak Retirement Income Plan

Account Statement as of July 22, 2024

### Basic Demographic Information

Name	Mark Hazel
Date of Birth	03/20/1958
Date of Participation	09/29/1980
Normal Retirement Date	04/01/2023

---

### Your Benefit

Your accrued benefit from the Traditional Kodak Retirement Income Plan (the "Plan") represents the monthly benefit payable, as a Single Life Annuity to you at your Normal Retirement Date. Your accrued benefit is \$874.77.

As of July 22, 2024, you are 100% vested in your accrued benefit.

---

### Commencement of Your Benefit

After you terminate your employment, you may commence your vested accrued benefit at your Normal Retirement Date. If eligible, you may instead elect to commence a reduced benefit prior to your Normal Retirement Date, but no earlier than age 55.

The benefit shown above may not reflect an offset due to a Qualified Domestic Relations Order (QDRO), if any. This means your final pension benefit could be different than the information provided on this statement.

Your benefit is based on the terms and provisions as set forth in the official Plan document. In the event of any conflict between the information in this statement and the Plan, the terms of the Plan document will control. If you have any questions regarding this notice, please contact the Kodak Pension Service Center at 1.877.99.KODAK (1.877.995.6325).
